GATES

INTERCOM
SYSTEMS

FROM START TO FINISH WE'LL TAKE CARE OF ALL THE DETAILS FOR YOU

Our professional team will manage your project from design and manufacture through to installation. Each project is carefully planned and the products are individually hand crafted to your specifications, so you can sit back and just relax. Once your gate/s, door/s, intercom, access system and other accessories are working smoothly and looking fabulous, you can enjoy the convenience, comfort and security they provide, knowing that our dedicated service team will be around for years to come to look after your investment.

YOUR
ONE STOP
SOLUTION

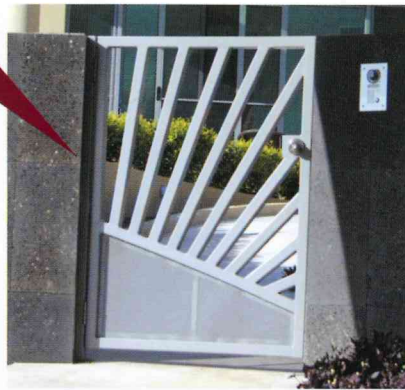

FAMILY OWNED SINCE 1992

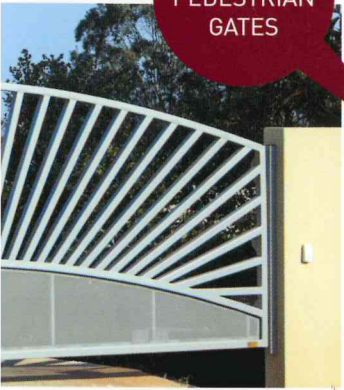

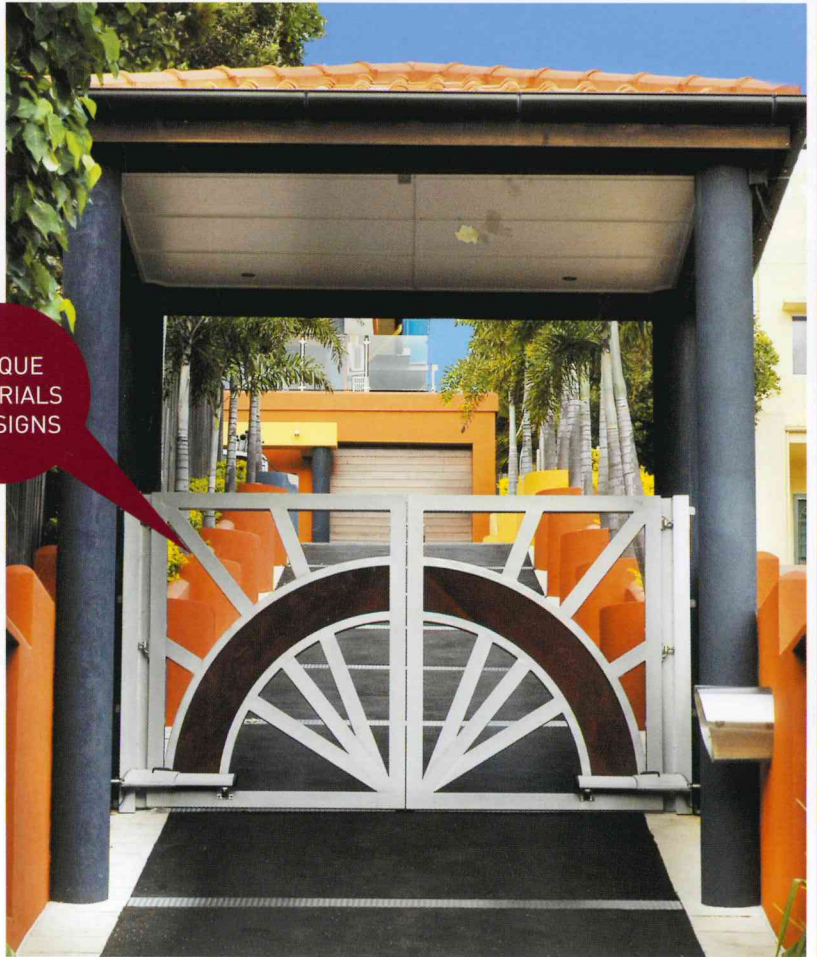

PRIDE AND SERVICE

We are passionate about beautifying your entrance and we pride ourselves on our personal service. Being family owned and operated since 1992 means we are a team of local people who are proud of what we do and understand the importance of treating our customers and their property with respect and care. We look forward to the opportunity to add value to your asset.

CUSTOM PEDESTRIAN GATES

UNIQUE MATERIALS & DESIGNS

Transform the street appeal of your home to be the most talked about in the neighbourhood.

QUALITY, SECURITY, STYLE

Trust East Coast to be your one stop solutions provider for custom made entry and pedestrian gates, garage doors, intercom and video access systems and all your automation needs.
