Rollmasta®

ROLLING GARAGE DOOR

AESTHETICS

- Wide range of colours.
- Stylish centre lift lock.

SAFETY

- Waist height centre lift lock with double bar locking action.
- Steel door stops.

EASE OF OPERATION

- Nylon braided running strips ensure that your door rolls up and down effortlessly.
- Lifting handle, available as optional extra, provides convenient operation and easy lifting of door.
- Internal lock snib provides easier internal lock use.
- Precision springing and plastic drum combination ensures consistent balance.

WEATHER PROTECTION

- Colorbond steel, our preferred supplier, to stand up to the harsh Australian climate*.
- Weatherseal provides an efficient seal for protection from the elements.

SMOOTH, QUIET OPERATION

- Nylon braided running strips.

STRENGTH AND DURABILITY

- Springs designed for 10,000 cycles.
- Square curtain profile for extra strength across the door.

SIZE TO SUIT EVERY HOME

- The Rollmasta rolling door is available in sizes up to 3000mm high and up to 3140mm wide.

WARRANTY

12 month warranty for complete door and parts in domestic and industrial/commercial applications, surface (excludes salt corrosion).

*As with all types of garage doors, for optimal trouble free performance and safety, we recommend you have your door serviced annually.

B&D has offices servicing all states.
